MEMORANDUM FOR: Colonel White, DD/S

25X1A9a

Secretary McKay dropped in to see me the other day on a matter relating to our perennial problem child, [REDACTED]. I took the occasion to tell him a little about our building problems and the question of the George Washington Memorial Parkway.

25X1A9a

He expressed an interest in it and said that Assistant Secretary Orme Lewis was the man in Interior who was particularly handling such matters and he would be glad for us to get in touch with him at any time.
